

CLONE OF IB1385 HEMERA

iCOM-4 DIN-rail case

BENEFITS

- Compact.
- Fastening of the cable and its structure to the box.
- Supplied with a DIN rail bracket.
- Supports wall mounting.
- Pre-equipped with pigtails and optical connectors.
- Scalable up to 4 SC.

APPLICATIONS

The iCOM-4 is a very compact termination box that is mainly DIN rail mounted in industrial cabinets. This one includes a fiber protection cassette. In addition, it is pre-equipped with pigtails for soldering to an optical connection cable.
